A TRUE IRISH SUCCESS STORY

Your car wash business can be part of the success story

It started in 2015...

Circle K signed a global agreement with the German based WashTec company, the World's leading manufacturer of carwash machines & car care chemicals.

Circle K entered a long-term relationship with WashTec globally to get the following advantages:

- ▶ To have the best and most reliable car wash machines available
- ▶ To use extremely effective but also environmentally friendly car care chemicals
- ▶ To have the support of a fast and dedicated technical service support network onsite

- ☑ For maximum car wash customer satisfaction
- ☑ For improved machine uptime
- ☑ Reliable equipment on the best value for money level
- ☑ To boost carwash business & profits

Impressive Results!

Since 2016 Circle K replaced approximately 90% of their carwash fleet in Ireland with new WashTec carwash machines.

WashTec's local dealer Wesumat Ireland delivers outstanding service results 7 days a week to support their network. The result was more than impressive as Circle K Ireland was able to almost double car wash sales!

**Over 40% growth
in car wash numbers,
whilst the income
almost doubled!**

Such a great achievement can only happen, when the best teams work hand in hand. With WashTec as the global partner for their car wash business Circle K made it come true.

The secret of our Car Wash success...

Modern car wash technology equipped with scratch-free guaranteed SofTecs® brushes differentiates Circle K's car wash business from any competition out there. Customers can see the difference wash by wash...

Our car wash customers love the perfect washing & drying result experienced achieved with the new WashTec car wash machines.

Customers appreciate the perfect value for money carwash package offered at Circle K service station sites.

With quality upgrades from WashTec customer loyalty increases and your business grows.

Customers return to sites for a carwash they have confidence using...

Site managers love it, too: Why?

Not only the most modern and most reliable carwash machines in the market but also the very fast and flexible technical support service delivered by Wesumat Ireland gives peace of mind and confidence to site operators on every site.

So whenever a helping hand is needed to stay operational the fast service reaction time of our service engineers helps you sell even more washes.

The WashTec / Wesumat Ireland service team is available nationwide seven days a week to support your business.

Get peace of mind and focus on your business on site.
